Success stories – Scholarship Holders Feedback

Ionut Cosmin Duta, at U-Tokyo

"I applied for the TEAM program because it offers the possibility of performing research abroad at the top universities and the program covers most of the costs of this mobility."

Project meetings

Selection Meeting, Cohort 2

The selection meeting for the second cohort, followed by a consortium meeting, will take place on **May 23rd, 2016 in Berlin** at Fraunhofer FOKUS.

Kick Off Meeting of the TEAM project

The TEAM project was officially launched during two day Kick Off Meeting on October, 6th and 7th 2014 in Paris.

All partner institutions came together to exchange project details and its implementation. This meeting was also a great occasion to network.
